ENCOURAGING HEALTH AND LONGEVITY IN YOUR DAILY LIFE

The ethos of Lanserhof at The Arts Club is to simply “live well for longer”.

Offering a holistic, integrated approach to healthcare, our unique clinic in the heart of Mayfair utilises innovative medical treatments from leading experts, combined with a world of high-end training possibilities and nourishing cuisines.

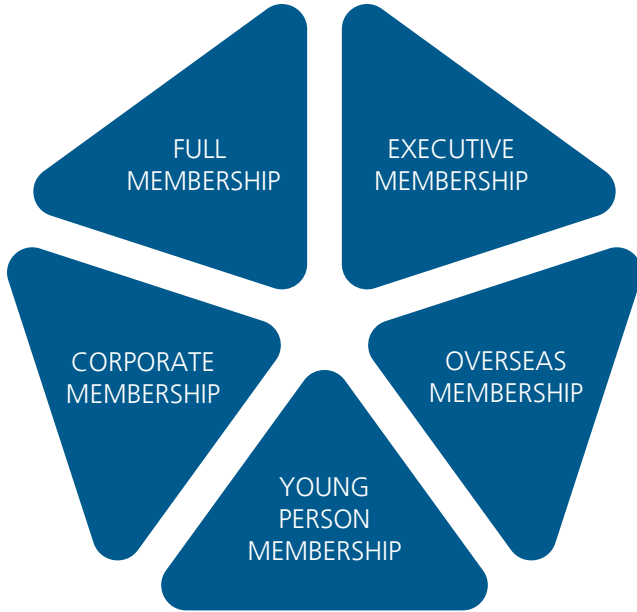

We recognise that good health at a physical, mental and emotional level brings with it vitality, efficacy, resilience and composure.

With this in mind, we take a unique approach to our membership offerings, where each category includes customised diagnostics and assessments to tailor-make every member's time with us.

Whether you join solo, with a companion or through your place of employment, where better to encourage wellness, optimal productivity, as well as effective stress and emotional management, then with us.

To learn more, delve in to Lanserhof at The Arts Club's comprehensive Membership packages of health and preventive medicine, and gain unrestricted access to leading discoveries in diagnostics, medicine and fitness.

MEMBERSHIP OPTIONS

All Memberships include a medical assessment and incorporate a one of a kind training system, to generate exercise plans that are customised, ever-evolving and designed to keep pain and injury at bay.

New Members benefit from a doctor's consultation plus functional diagnostics, using the latest technologies, to ensure training is efficient and targeted to the idiosyncrasies of each person's body.

Under the watchful eyes of our experts, including medics, sports scientists, sports therapists, physios, nutritionists, trainers and therapists, Lanserhof's multi-award-winning team is always here to guide you.
